PROFESSIONAL SUMMARY

Software Engineer fresher (B.Tech – AI & Data Science, CGPA 8.5) with hands-on experience in Python, SQL, data science, and web development. Currently interning as a Data Science Intern at DataValley. Certified by Tata, Infosys, and Intel & Skill India. Proficient in OOP, DSA, SDLC, Git/GitHub, and agile practices.

TECHNICAL SKILLS

Languages: Python, Java, SQL | **Databases:** MySQL, RDBMS, 3NF, Query Optimization, CRUD | **Web:** HTML5, CSS3, JavaScript

Libraries: Pandas, NumPy, Matplotlib, Seaborn | **Tools:** Git, GitHub, VS Code, Jupyter Notebook | **Concepts:** DSA, OOP, SDLC, Agile, GenAI, EDA

EXPERIENCE

Data Science Intern – DataValley

Jun 2026 – Present

Data Science Course & Internship Program

- Performing exploratory data analysis (EDA) on 3+ real-world datasets using Python, Pandas, and NumPy to identify trends, outliers, and missing value patterns.
- Built and evaluated 2+ predictive machine learning models, applying feature engineering and train-test splitting to improve model accuracy by 15%.
- Created 10+ data visualizations using Matplotlib and Seaborn to communicate analytical findings clearly to stakeholders.

PROJECTS

Subway Surfers Web Game | HTML5, CSS3, JavaScript

2024

github.com/MBhargavi12/subway-surfers-game | *Live:* MBhargavi12.github.io/subway-surfers-game

- Designed and built a fully functional browser-based endless runner game with 3 game states (start, play, game-over), real-time keyboard event handling, and smooth game loop logic.
- Deployed live on GitHub Pages with 100% uptime; implemented responsive layout and DOM manipulation across 3+ JavaScript modules, maintaining clean version control via Git.

EDUCATION

B.Tech – Artificial Intelligence & Data Science | N.B.K.R.I.S.T, Tirupati

2023 – 2027

CGPA: 8.5 / 10.0 | Coursework: DSA, DBMS, Python, OOP, Software Engineering, Machine Learning

Intermediate – MPC | Sri Vema Junior College, Andhra Pradesh

2020 – 2023

SSC – Vidhya Khendra English Medium School, 2020

CERTIFICATIONS & ACHIEVEMENTS

- Tata Group – GenAI Powered Data Analytics Job Simulation (Forage, Jun 2026) | EDA, AI-driven analytics, delinquency prediction, data storytelling
- Infosys Springboard – Basics of Python (Mar 2026) | Intel & Skill India – AI for All (Jun 2026)
- Introduction to SQL – Simplilearn | CGPA 8.5 in B.Tech | 195+ LinkedIn post impressions as Python content creator
